Mary, when would you like input sent back? Perhaps we can use a Director enforcement meeting to discuss input.

Subject: FW: Agenda for Region III Law Office Meeting

Hi, Directors-

On September 24-25, Neil Bigioni and I will host a meeting in Baltimore of the chief counsels at the Region III state environmental agencies and attorneys general offices. This annual meeting of senior Region III federal/state environmental lawyers is designed to foster cooperative federalism by providing a forum to discuss legal, policy, and law office management issues of common concern to EPA, the states and D.C.

Below is a proposed agenda for this meeting, which includes topics suggested by our state and District counterparts. I welcome any information or comments on the topics of this draft agenda, or suggestions for additional topics.

Thanks!

Mary
